

MSU Roller Hockey

A view into the achievements, goals, and players of the MSU Roller Hockey team

MSUrh.com will focus on displaying specific past achievements, current player information, highlight videos, and goals/mission statements of the MSU club roller hockey team. The emphasis will be on creating a fun and efficient web experience for future and past players. It will provide access to things such as stats, schedules, and information about trying out.

Personas

MSU College Freshman: young, motivated, and curious. This person has played hockey for a significant period in their life and is interested in finding clubs to join on campus. They are competitive and like being a part of a team.

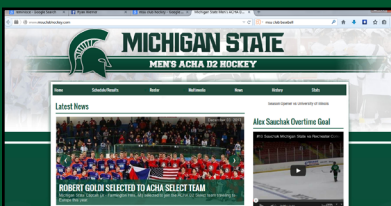

Club Alumni: recently graduated members of the MSU roller hockey team. These people like to reminisce about the good times they had in college. Their goal is to find information about the team so that they can go and watch games.

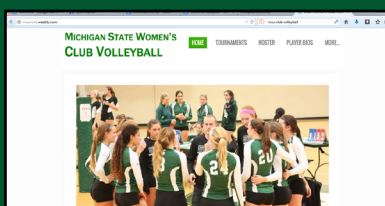

Current team members: these are players who are still a part of the club. They like bragging to their friends and each other about their stats and their sweet highlight-reel goals. They are also detail-oriented and like to see schedules of their games.
